

Destination Lagos: For excellence in Hair Transplants

Travelling to Lagos for Your Hair Transplant?

Complete Your Pre-Surgery Health Checks at Home Before You Fly!

At Vinci Hair Clinic Africa, your safety and results come first. Before travelling to Lagos for your Hair Transplant, we recommend completing a few simple medical checks in your home country to ensure you're fully fit for surgery.

Why It Matters

- Speeds up your in-person consultation in Lagos
- Helps us personalise your care
- Gives you peace of mind before surgery
- Avoids unnecessary delays during your trip

Once Complete

Email us your test results before you book your trip so our medical team can review and confirm your readiness for the procedure. It's quick, confidential, and ensures a safe, seamless experience when you arrive in Lagos.

What Checks Are Needed?

Please visit a registered local Clinic, General Practitioner, or hospital and request the following tests:

- | | |
|---|--|
| <input checked="" type="checkbox"/> Full Blood Count (FBC) | <input type="checkbox"/> |
| <input checked="" type="checkbox"/> Coagulation Profile: <ul style="list-style-type: none">• PT• aPTT• INR | <input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/> |
| <input checked="" type="checkbox"/> Serological Testing: <ul style="list-style-type: none">• Hepatitis B• Hepatitis C• HIV 1/2 | <input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/> |
| <input checked="" type="checkbox"/> Cardiac Clearance: Specifically for clients over 50 years of age with known cardiac risk factors. Clearance from a Cardiologist is required before proceeding with surgery. | <input type="checkbox"/> |
| <input checked="" type="checkbox"/> HbA1c for individuals managing Diabetes. | <input type="checkbox"/> |
